Episode Forty Two / V8 Super Boats

In this episode Damo heads down to Cabarita in Northern New South Wales to check out V8 Super Boat racing.

Set amongst hills in this beautiful part of Australia is a fantastic race track, hosting some wet and wide racing.

Damo has a chat to two boat owners and gets an insight into this sport. Unfortunately due to the bad weather Damo missed the opportunity to ride in one of the boats, but has vowed to return in the future to take on the course.
